

ALLIES BATTLED TO HALT BY REDS

Chinese Intervention Before UN Council

U. S. EXPECTED TO OFFER PLAN ON WEDNESDAY

By MAX HARRISON
LAKE SUCCESS, Nov. 6.—(AP)—The United States today called for a special security council meeting Wednesday to consider the intervention of Red China in the Korean war.

The meeting was requested shortly after Gen. Douglas MacArthur formally reported to the council that Chinese Communist troops had crossed into Korea and were fighting UN troops.

"Serious Situation"

U. S. delegate Ernest A. Gross said the delay in the council meeting was to give the delegates a chance to give the council a "serious" situation. He said the United States already had been carrying on private talks with some delegates.

MacArthur's charges were made in a special report transmitted to the council by Chief U. S. Delegate Warren R. Austin.

The report was discussed at a closed meeting of the seven nations in a committee on Korea shortly after it was made public. U. S. Delegate Ernest A. Gross took part in the discussions. Col. Alfred Katzin, special representative of the Secretary General Trygve Lie, also was present.

Gross said he had asked the November president of the council, Ales Belcher of Yugoslavia, to call a meeting Wednesday morning (10 a. m. CST).

"The situation obviously is serious and will require consultations with other members," Gross told a news conference.

He declined to say what sort of action the United States would propose, but did confirm that specific proposals were under discussion.

View of the fact that the special report has just been submitted to the council, Gross said, "it would be quite inappropriate to prejudge the case and predict what action will be taken."

Cennally Feels Korean Victory Sure Eventually

FORT WORTH, Nov. 6.—(AP)—Senator Connally said here today he is certain we will win in Korea despite temporary setbacks.

Commenting on General MacArthur's report that fresh Chinese Communist armies have been sent into North Korea, the veteran chairman of the Senate foreign relations committee declared:

"I regret the situation at the moment in North Korea. However, I feel very certain we shall work out of the difficulty and drive the Reds out of North Korea."

"The Chinese Communist government has not officially sanctioned participation with the North Koreans. We shall have to wait on a reply to General MacArthur's statement on the subject."

Looking rested and vigorous, Connally drove in from Marlin. He will speak tonight at the Texas State Brotherhood meeting in Will Rogers Memorial Coliseum, before an estimated 7,500 members.

Confident that prompt United States and United Nations action in Korea would bring a new world war, Connally said:

"Our action was absolutely necessary. It was not a statement of mere words but a statement of action and determination to meet and lawless aggression inspired by totalitarian influences."

Connally will spend the day in a hotel suite. Mrs. Connally is in Marlin. The senator will return to Marlin Tuesday and then visit friends in Teague. Wednesday, he will attend an American Legion appreciation dinner in Tyler.

The senator plans to return to the capital late this month.

India Advised Tibet's Boy Ruler And Cabinet Still Control Asian Capital

NEW DELHI, India, Nov. 6.—(AP)—India has been advised that Tibet's 16-year-old ruler, the Dalai Lama, and his government of Buddhist priests and nobles in Lhasa, the Tibetan capital.

This report Sunday from India's representative in Lhasa, Dr. S. Sinha, contradicted persistent rumors stemming from Tibetan sources that the boy ruler and his elderly regent, Takpa Rimpoche, had fled before invading Chinese Communist armies.

Dr. Sinha's report heartened officials here who had felt that the swift collapse of the Tibetan government was imminent. The India government had told Dr. Sinha India would give asylum to any legitimate refugees situation, the report said only that Communist troops were regrouping for further attacks after the capture of Chamdo, major caravan center 350 miles east and north of Lhasa.

In a report a week ago Dr. Sinha had reported a Red Column within 250 miles of Lhasa. Sunday's

1950 Congressional Campaign Is Nearing End

TWO SLOT MACHINES AND QUANTITY OF LIQUOR TAKEN IN WEEK-END KERENS RAIDS

Two "one-armed" bandit slot machines and a large quantity of illicit intoxicants were seized in the Kerens area Saturday as officers continued a firm crack down on Navarro county's liquor-gambling operations.

The latest raids—staged just 24 hours after a break-up of three bookmaking places in Corsicana—were centered in the Kerens vicinity.

Five Persons Charged.

Five persons, all negroes, were charged with violation of the prohibition laws. Four were fined in county court Monday, after pleading guilty before Judge Joe D. Huffstutler.

Constable Chester Kyser of Kerens, and Liquor Control Board Inspector R. T. Bailey, who staged the raids reported that 30 quarts of wine, several bottles of gin and whiskey, and over four cases of beer were seized in raids Saturday and Sunday.

The slot machines were seized in Bryant's Cafe, a negro place in North Kerens, Constable Kyser said.

"One of them was out in the open," he reported. "The other was hidden."

To Ask Destruction Order.

Immediate action to secure a district court order for destruction of the one-armed bandits was planned.

"As long as I am constable, there'll be no slot machines in my precinct," declared Kyser, who was armed with search warrants issued by Justice of the Peace Melvin Penney of Kerens.

"It was in that case last Wednesday, and there were no slot machines there," Kyser said, reporting that he had received a "tip" about them. "I went back Saturday, though, and there they were."

4th Anti-Gambling Raid Is Staged By Officers Sunday

The fourth anti-gambling raid in Corsicana in three days was staged at 206 South Beaton street late Sunday afternoon. City Police Sgt. V. D. Thedford and Liquor Control Board Agent R. T. Bailey, with City Officer Claude Patterson, seized a quantity of baseball pool tickets, business records and punch books.

The place raided was one for which a search warrant had been issued Friday but officers found the place closed when they arrived.

Officers said Sunday that a citizen called one of the officers and reported he had just placed a bet at the business place. After receiving the call officers swooped down on the place and again found it locked.

The owner, A. J. Keenan, was called and after the search warrant was served he opened the store.

Seized in the raid were nine punch books and two cigar boxes of baseball pool tickets.

The owner reportedly told officers that he had been operating his business for several years and never had any trouble before.

Keenan was charged with using slot machines.

Plane Wreckage Located In Alps

CHAMONIX, France, Nov. 6.—(AP)—A French mountaineer authority said today there was "absolutely no hope" of finding any survivors of the Air India Constellation which crashed into Mont Blanc Friday with 48 persons aboard.

Maj. Jacques Flottard, commander of the French army mountain school here, said after a reconnaissance flight over the wreckage that the plane had disintegrated on crashing and was strewn over a wide area on both sides of the French-Italian frontier.

Swiss fliers spotted the wreckage Sunday on the 15,781-foot Alpine Peak. Western "Europe's highest" mountain. The plane crashed at a height of about 15,000 feet. A 27-man patrol from Flottard's school began the hazardous ascent towards the wreckage this morning.

Victim Of Hotel Fire Unidentified At Noon Monday

All attempts to identify the man who was burned to death in the Commercial Hotel fire here Friday night have proven fruitless and the fire victim was still unknown at a late hour Monday.

Fire Chief Howard Bylins said five leads to the man's identity have been traced but that in each case the person being sought was found.

Believed Only Victim

The man's body was found Saturday morning on the third floor of the hotel by Asst. Fire Chief Billy Draper. Firemen have thoroughly searched the debris from the fire and are satisfied that but one person lost his life in the blaze, Bylins said.

The building still was being checked Monday.

The area around the hotel has been roped off so that no one will be injured should the walls collapse.

May Condemn Walls

Chief Bylins said he didn't know if W. E. Newman, the hotel owner, would order the walls torn down. However the chief added:

"If we discover the building is a hazard to the public it may be necessary for the city to condemn the building."

Record Off-Year Vote Expected In Tuesday Elections

By JACK BELL
Associated Press Political Reporter

The 1950 congressional campaign winds up today on a foreign policy note which made virtually a forgotten issue of President Truman's once hotly debated "Fair Deal" program.

In final appeals to the voters, both major parties stressed international questions despite strong indications that many senate and house races—as well as some gubernatorial—were likely to be settled on strictly local situations.

Little Change Expected

The consensus of political observers seemed to be that the results of Tuesday's balloting would provide no change in Democratic control of the two houses of congress.

However, the experts left room for a last-minute crystallization of sentiment that might be reflected in a surprising trend. The possibility that the recent adverse turn of the Korean war would add to the voters' decision was not discounted by either party.

To be elected are 32 state governors, 36 U. S. Senators and 432 U. S. Representatives—the full house membership except for three Maine seats, filled by Republicans in a Sept. 11 election.

Government Costs Trebled In Past Decade

AUSTIN, Nov. 6.—(AP)—Comptroller Robert S. Calvert said today the cost of state government in Texas has increased from 186 million dollars in 1940 to 527 million in 1950.

Speaking at the convention of the Texas Motor Bus Association, Calvert noted that while this dollar increase is obvious, there has been a rapid increase in administrative costs on a percentage basis.

He said that 10 years ago, administrative costs took 7.4 cents of each tax dollar. Now the figure is 6.75.

"Most of the money collected by the state goes back to the people in services," Calvert said.

Light Vote In Election Tuesday Is Anticipated

A light vote is anticipated in the general election to be held Tuesday.

There were a number of the boxes and supplies still undelivered at the courthouse Monday morning.

The polls open at 8 a. m. and close at 7 p. m. Tuesday.

This will be the last time the voters will cast their ballots in 46 precincts in Navarro county. The number of precincts was reduced to 40 on January 1, 1951, under a resolution passed several months ago by the Navarro county commissioners court.

The voting boxes in Corsicana and presiding judges:

Ward 1—David Crockett School, Ralph Elliott.

Ward 2—Wm. B. Travis school, J. S. Murchison.

Ward 3—Coulthouse, Lloyd G. Kerr.

Ward 4—City Hall, L. F. Flynn.

Only 11 absentee votes were cast prior to the election in the office of J. Vernon Harwell, county clerk.

Continued Warm Weather Sighted

By The Associated Press.

Texas continued to warm up today, shaking the chill of last Friday's first norther of the season. Forecast calls for continued warm days and cool nights through Tuesday.

Skies were clear today except in the extreme northwest portion.

A cool front reached Dalhart at mid-morning, but it was dry and mild and the weather bureau said the only change noticeable to the layman will be a shift in wind.

Strong breezes are expected for North and Northwest Texas this afternoon.

Lowest temperatures early this morning were at Junction, Salt Flat and Lubbock. Each reported 35 degrees. Minimums ranged up to 66 at Texarkana.

Marshall Tells Industry Leaders Military Orders To Take Up Slack

SEA ISLAND, Ga., Nov. 6.—(AP)—Secretary of Defense Marshall said military orders will be great enough in the months immediately ahead to take up any slack in industry caused by the government's emergency controls.

He gave that assurance to 90 industrial leaders attending a business advisory council of the department of commerce.

Four-Year Program

His speech was off the record, as were all the council sessions, but reporters learned Marshall said:

"He is drawing up a four-year program of military production calling for a steady state of buildup to rearm the United States and Allies. The plan now is about half finished."

It will attempt to schedule evenly the flow of military orders to prevent temporary shutdowns or layoffs.

Marshall did not estimate how deeply the defense effort will bite into civilian goods production, but his remarks served to allay fears that civilian backlogs might bring a temporary "recession" in early 1951 into military production hits its stride.

Both government and industry leaders welcomed the disclosure of long-range estimates of how much material and plant capacity will be needed has handicapped the National Production Authority in setting up a pattern of industry controls.

Marshall indicated a third supplemental military appropriation to be asked when congress convenes this month will not be great enough to compel sudden new slashes in civilian production.

The secretary, it also was learned, is not yet prepared to make an estimate of how much the United States should plan for defense for fiscal 1952, stating that July 1. Some officials have estimated, but other guesses have ranged considerably lower.

Free Nations Will Not Permit Red Imperialism To Swallow Up Nations One By One, Truman Tells World

By ERNEST B. VACCARO
INDEPENDENCE, Mo., Nov. 6.—(AP)—President Truman declared today: "The free nations will not let Communist imperialism swallow up free peoples one by one."

The President's address was prepared for a ceremony dedicating a replica of the Liberty Bell. The replica was made by the people of Anney, France, and presented to Independence by Anney's mayor, Georges Voland.

"Korea is proof" that freedom can survive if the peoples who cherish it stand together, Truman said. "The common victory against aggression in Korea is evidence that the free nations will not let Communist imperialism swallow up free peoples one by one."

The President said that only "in the last fifty years," he said, "there has been a steady drop in the percentage of eligible voters in the United States who go to the polls and vote on election day."

"It is a disturbing thing that only about one out of three eligible voters took the trouble to vote in the last mid-term election in 1946."

"Voting is not only a right; it is a duty—a serious patriotic duty. I hope that every eligible voter in the United States will go to the polls tomorrow, and make certain that his family and his neighbors go to the polls, too."

The President said freedom means "protection against economic hazards."

"We have done a lot in this country in the last few years to give new meaning to this concept of freedom," he said.

Brownsville Jail Trusty Is Sought For Dope Selling

BROWNSVILLE, Nov. 6.—(AP)—Discovery that marijuana is peddled and smoked in the Cameron county jail here has sent county sheriff Byington Fleming on a search for a 65-year-old negro trusty.

Sheriff Fleming said two Mexican nationals were caught with the narcotic in their possession last week while in jail on immigration charges.

Fleming said the trusty, who has a long police record, is believed to have been peddling marijuana among the jail inmates for some time. He was serving a 66-day term for passing bad checks when he escaped when the investigation began.

The Mexican aliens were Jose Perez Corona, 28, and Jose Guadalupe Flores Trevino, 26. Perez Corona was sentenced Saturday to two years on jail for an illegal entry charge. Flores Trevino was ordered held for the December trial on a court pending grand jury action.

National Guard Is Demobilized In Puerto Rico

SAN JUAN, Puerto Rico, Nov. 6.—(AP)—Puerto Rico's National Guard was ordered demobilized today after registration of new voters for next year's constitutional referendum was completed without incident.

Thirty-five hundred guardsmen were called out last Monday to help quell an abortive but bloody nationalist rebellion. Guard officers said 360 guardsmen will be retained for duty at Fort Leizaola jail, and some others will be kept in reserve.

Some 400 of about 600 persons arrested in a roundup of nationalists and suspected sympathizers following last week's rebellion and the attempt on President Truman's life by two Puerto Rican nationalists were expected to be released within 48 hours. The others face further questioning and possibly formal charges.

Two-day registration ended Sunday was conducted in perfect calm. Officials said the nearly complete total was 151,152—far greater than expected. The registration included 70,358 women and 82,168 men.

Governor Luis Munoz Marin said the registration was spurred by last week's violence and proved a firm, clear voice.

The tribunal will set a date Tuesday for the resumption of the trial.

Court Accepts Charges Against Burma Surgeon

RANGOON, Burma, Nov. 6.—(AP)—A special tribunal today reduced treason charges against American Dr. George S. Seagrave, making him subject only to banishment for life or a prison sentence if he is found guilty.

The tribunal charge previously against the 53-year-old surgeon—accused of aiding Rebel Karen tribesmen—carried the death penalty on conviction.

The tribunal later a three-week hearing framed these new charges of abetting the commission of treason by giving comfort (showing sympathy) to the rebels. The maximum penalty is transportation for life, the minimum to 10 years imprisonment.

Under Burmese trial procedure Seagrave now is given the opportunity to refute the government charges.

Called to the stand today to hear the charges read aloud, the surgeon, who for 25 years has healed Burmese sick and trained doctors, pleaded innocent to each count in a firm, clear voice.

The tribunal will set a date Tuesday for the resumption of the trial.

SUB-ZERO WEATHER ALSO SLOWS UN UNITS; 'HOSTILE CONTACT' CITED WITH CHINA

SEOUL, Korea, Nov. 6.—(AP)—American troops in northwest Korea this afternoon recovered a half-mile of ground lost to a morning Communist attack and fought bitterly for no gain in the northeast against an enemy newly identified by General MacArthur as Chinese Reds.

Elements of two U. S. Divisions holding the bridgehead area north of the Chongchon river near Korea's West coast recovered the territory lost to the Reds six miles north of Anju.

They had been shoved back an estimated half-mile by two battalions of Communists who attacked in darkness at 4:30 a. m. but were finally halted at 7 a. m.

An earlier enemy feint at the bridgehead Sunday night had been stopped cold by American artillery, while Australian troops of the British Commonwealth Brigade also halted a stab by two Red companies in a heavy fire-fight.

Russian-Built Jet Fighters Are Sighted In Battle

U. S. FIFTH AIR FORCE HEADQUARTERS, Korea, Nov. 6.—(AP)—A U. S. Air Force spokesman said four U. S. pilots confirmed today they were attacked by a Russian-made jet fighter from a Manchurian base.

The pilots said the Russian-built MIG-15 crossed the Yalu river boundary over Antung and attacked their formation over North Korea. The MIG-15 is the latest known model of Russian jet fighter. Its performance is believed comparable to that of the North American F-86 Sabre jet of the U. S. Air Force.

Antung is on the Manchurian side of the river opposite Sinuiju, in the extreme northwest corner of North Korea.

The pilots, flying F-51 Mustangs, told the Fifth Air Force's joint operations center that the high speed, sweptback wing jet fighter returned across the river over Antung after making one machine-gunning attack on the Mustangs.

Fifteen MIG-15s have been reported over North Korea the past several days, but they were observed in the act of crossing the border for the first time this afternoon.

French Foothold In Indochina Is Still Decreasing

SAIGON, Nov. 6.—(AP)—France's foothold in North Indochina continued to shrink today as the French announced abandonment of the dense system in the foothills region on three sides of Hanoi, the northern capital.

Pressed in a giant vise turned by Ho Chi Minh's Communist-led Viet Minh forces, the diminishing French beachhead around Hanoi gradually is being confined to the densely populated Red River Delta, in which live 8,000,000 of North Vietnam's 20,000,000 people.

French army headquarters said its forces had withdrawn from Hung Hoa, a main post 40 miles northwest of Hanoi, and from an entire series of smaller fortified positions extending 30 miles south of Hung Hoa.

Sunday the French announced retreats from three small posts northeast of Hanoi, between Chu Chu and the frontier fortresses of Ding Lap, and the start of withdrawal from Hoa Binh, 36 miles southwest of Hanoi. Garrisons from small posts in that region already had fallen back on Hoa Binh.

On news of the retreat, the French abandoned Laokay was reported on the march again after a rest at Chapa, 12 miles southwest of the former northwest frontier fortress.

KING IS ILL

LONDON, Nov. 6.—(AP)—King George VI has a painful but not serious touch of lumbago, a Buckingham Palace spokesman disclosed today.

South Korean President Convinced Soviet Russia Ordered Red Invasion

By LIEF ERIKSON
SEOUL, Korea, Nov. 6.—(AP)—President Syngman Rhee indicated today that he believed Soviet Russia ordered Chinese Communists to cross the Yalu river and intervene in the Korean war.

"All Communists—Korean, Chinese or Indians—all obey orders from the Kremlin," Rhee said. "Soviet Russia does not want to lose all of North Korea, I suppose."

Bombings Not Decided

Asked whether he believed United Nations forces now should bomb Manchuria, in which Chinese Communist forces are based, Rhee replied:

"On impulse, I would do it right away. But I think some of the United Nations would not want us to go that far."

The action of UN forces against Chinese intervention in Korea, Rhee said, depends upon the decision of the United Nations command.

"We are co-operating with the UN command," he said, "and must wait until General MacArthur orders a course of action."

"I don't know exactly how many Chinese are in Korea, but I believe it is very hard to say exactly what will be done."

"But of course we will fight."

Must Continue Fight

"The only way is for us to fight them if they come over the border. We must fight to the boundary line and keep them from crossing over."

This, Rhee said, would be difficult in winter when the rivers were frozen. But he said "as soon as possible we need to establish defense positions near the boundary along the two rivers—the Yalu river forming the northwestern boundary and the Tuman river marking the boundary in the northeast."

Rhee was asked what he believed the Chinese objective—to drive the UN forces out of Korea or only to protect boundary area power plants. He replied:

"We will have to ask the Chinese Communists that question."

MEN WITHOUT COUNTRIES

One of the tests of the new Communist control law will be in dealing with stateless aliens. These are the foreigners who cannot or will not qualify for naturalization, yet who have no other land they call "home" and have no intention of leaving the United States. Deportation proceedings against such persons end in frustration unless there is a nation to which they can be deported. Where none exists, the suspicion is bound to arise that no nation is willing to claim or admit these people because they are incorrigible troublemakers. It has not heretofore been hard for anyone, alien or otherwise, to stay clear of American police if he does not make trouble for them.

There are more such persons than might be supposed; these are not the few individualists who occasionally make a public display of renouncing the land of their birth to become citizens of the world. These are the ones who quietly disappear from their native lands, and thereafter seek places, where they live in the shadows, unnoticed, without ties. Some of these were wont, in the old days, to drift from place to place in Europe. It is now harder to cross frontiers in Europe, and behind the Iron Curtain presumably it is impossible to live in anonymity. One of their most famous gathering places used to be Shanghai, but the new Communist regime is trying to change that, too.

More of them may be turning to America for refuge, in the past gladly given to those who want to live peacefully. Strangely some of them try to promote here the evil which has closed their lands to them—Communism. This is hard to understand. Perhaps it is enough to be heroes of the moment in the little worlds of discontent they breed around them. Whatever their reasoning, they pose a perplexing problem of what to do with them.

WHAT IS A PARTY?

There is no such thing as a national Democratic Party or Republican Party. Arthur Knock, Washington correspondent of the New York Times, told the law students of the University of Virginia. He sees the bodies going under these names as merely aggregations of state parties which often have few views in common, and sometimes are not closely knit even within a state.

Close inspection appears to bear this out. New Hampshire has two Republican senators, Styles Bridges and Charles W. Tobey. Rarely do they vote together. Tobey was charged, in the campaign in which he was recently renominated, with being a "Truman Republican." Bridges is anything but that. Nor is this the only such case. Oregon's Wayne Morse and Guy Cordon are as far apart politically as they can be, yet both call the m s e l v e s Republicans. North Carolina's Frank P. Graham supports the Truman administration, while his colleague, Clyde Hoey, is apt to oppose it; yet both bear the Democratic label.

Perhaps we should define a Democrat or a Republican as someone who calls himself so, and is able to get his party's nomination for office. His views sometimes have little to do with his party label.

Thomas Kempis was wrong when he wrote that it is easier not to speak a word at all than to speak more words than we should. It is better, but not easier.

GOLDEN WEDDING
A golden wedding! Fifty years
Of shining, all the smiles and
tears,
A privilege and blessing, too.
That are allowed to very few.
"Till death do part" the vow is
said
By man and woman when they
wed,
But always 'tis their hope that
they
May have their golden wedding
day.

I often wonder what decides
The fates of happy grooms and
brides,
I know that many a couple parts
When bitter discontentment starts.
But love has purposes to fill.
We all must serve the good Lord's
will,
And so most richly blest are they
Who reach their golden wedding
day.

GERMANY'S DEADLY PERIL

Any thinking German must lie awake nights, facing the nightmare possibility that his country might disappear off the map, having gone down the Russian gullet. A few years ago such an idea would have seemed fantastic. Germany was not only the strongest state in Europe, but she terrified her neighbors. In the two world wars it took the combined efforts of a large part of the rest of the world to pull her down. Now Russia and her vassal, Poland, own large parts of Eastern Germany, including East Prussia and Silesia and such cities as Koenigsburg, Stettin and Danzig. The Soviets have half of Berlin, and clearly desire to merge their zone of Germany into the Russian state. But for American resistance, this would already have been accomplished. It still could happen.

The disappearance of Germany would surpass in importance even the reduction of the historic Austrian empire into a petty region, hardly more than Vienna and its suburbs. Only once in history has there been such a dramatic end of a nation. That was the destruction, almost in a single moment, of Assyria, the terror of the ancient Orient. After the fall of its capital, Nineveh in 612 B. C., the Assyrian nation utterly disappeared from history. Could that be the fate of Germany?

SPARE BODY PARTS

A report to the American College of Surgeons says that the problem of storing whole human blood for long periods has been solved. Dr. A. G. Jessiman and Dr. Carl W. Walter of Harvard Medical School say blood has been successfully frozen, under high pressure, without damage to its living cells.

It has long been known that living organisms can be kept in a dormant state while frozen, and will be none the worse if the freezing and thawing can be accomplished without mechanical damage caused by the swelling which accompanies freezing. Fish, whose cells seem to be adaptable to this swelling action, often spend the winters of the north country frozen in the ice, and swim away in the spring as though nothing had happened. Previous attempts to freeze human blood have only resulted in ruptured cells, however, even as the blood cells in an ear are ruptured if it is badly frost-bitten. Under refrigeration, as blood is now kept, the storage limit is three weeks.

The first significance of the discovery of successful freezing method is for blood itself. If equipment can be made available for general use blood banks would become vastly more useful. But the discovery has an even greater significance. The two Harvard scientists said the process also could be used to store blood vessels for use in repairing damage from accident or illness. This suggests the possibility that other essential body tissues also could be preserved in the same way. Some day the surgeon might have at his disposal spare parts for the human body.

Nature may at times come in for rough talk. She made many of us short who would rather be tall, others fat who would rather be slim, and some frowzy who would rather be glamorous. But long before she knew about eyeglasses she certainly put our ears in the right place.

Stegall Paced Bengals Friday With Three TDs

By PAUL MOORE
Sun Sports Editor
Corisciana High Tigers chalked up their seventh straight win of the season Friday night on Indian Field in Waxahachie, 27-6, over an inspired and hard-fighting Waxahachie Tribe as the climax of a homecoming celebration. The Indians played their best game of the season as they lost their seventh straight while Corisciana had plenty of competition and was required to rely solely on the running game as the high winds nullified the aerial threats on both sides.

The Bengals, however, took advantage of breaks after making some of them, and scored twice in the second period after trailing for several minutes.

After a scoreless first quarter, the Indians scored early in the second quarter and for the first time this season the Tigers were behind. Welson Huston, sensational Indian back, climaxed a five-yard drive to drive over from the one after Bill Hightower, a slashing back, had scampered 31 yards to the Bengal 4. Tommy Gene Gibson's attempted placement missed.

Stegall scored three touchdowns Friday night and Cravens went over for the other. Stegall scored his three markers on end sweeps and cutbacks, although he was frequently smothered by the alert Indians who battled hard all night. A wide defense protected the ends most of the time for the losers, and Cravens, Nutt and others were required to dash through the middle of the line.

Waxahachie seriously threatened in the first period after driving from near midfield as the Indians uncoiled a savage drive, featured by effective blocking and a 3-yard drive to drive over from the Tiger 3, the defense tightened and Matthews dropped Hightower for a yard loss. Heinle was stopped without gain by savage tackles by the Bengals.

Another Tiger drive bogged down after the Indians had scored and Bobbie Malcolm, Tiger line star of the evening, blocked a punt and recovered on the 20 from where point the Bengals tied the score.

Nutt dashed 9 yards to the Waxahachie 11 and then Cravens, who built-doze for much yardage during the entire evening, crashed over for the touchdown, scoring several tackles with him. His attempted placement failed and the score was tied, 6-6.

Stegall recovered a Waxahachie fumble on the Indian 10. On his first play the Tiger star back scored the first of his three markers when he reversed his field, cutback from an end sweep and darted 31 yards for the touchdown. Cravens converted to give the Tigers a 13-7 lead at the half.

During the intermission at half-time, Miss Teddy McGee, member of the high school pep squad, was presenting as homecoming queen. The Waxahachie band and pep squad paraded, but the Coriscanians did not take the field.

The Bengals scored early in the third period after a drive had started on the Corisciana 39 yard stripe. Cravens powered 11 yards and Nutt dashed 10. Cravens dragged tacklers for 18 to the Indians 16. Stegall was stopped for a 3-yard loss by Carroll and other tacklers, and then the fleet-footed youngster scampered 16 and the final marker, with Cravens converting, ending the scoring.

Neither club scored in the fourth period, playing on fairly even terms.

Corisciana did not complete a pass of the four attempted. Waxahachie completed two of three, one for 3 yards and the other for one.

Waco was forced to score a last quarter desperation touchdown to defeat Hillsboro Eagles in Hillsboro, 20-14, while Temple Wildcats were fought all over the lot at Ennis by the Lions before getting a 9-7 defensive decision.

Rufus Carroll, Jim Beck, Bill Hightower, Weldon Huston and Steve Smith led the out for the Indians, Bobbie Malcolm, James Andrews, Henry Newman, Isbell and Woods played good games in the line as did Brown, McNeil and Dearen.

Starting Lineups:
Corisciana—Stack and Corley, ends; Isbell and Dearens, tackles; Malcolm and Andrews, guards; McNeil, center; Nutt, quarterback; Cravens, fullback; Matthews, halfback; Bailey, Wood, Tuberville, Hobbs, Newman.

Waxahachie—Hooper and Fuller, ends; Murdoch and Kirkland, tackles; Shank and Beck, guards; Davis, center; Huston, quarterback; Hightower and Knox, halves; Heinle, fullback.

Officials—Jim Higgins, Southern Methodist, referee; Doc Hensley, Baylor, head linesman; H. Morningside, umpire; Zebby Howell, Trinity, field judge.

Statistics:
Yards gained rushing—Corisciana 27, Waxa 180.
Yards lost rushing—Corisciana 9, Waxa 17.
First downs—Corisciana 12 Waxahachie 9.

Former Coriscanian Dies At San Antonio
Word was received here Sunday by Mrs. A. S. Neale that her son-in-law, Ed Davis of Tyler had died at Tyler, Texas, Sunday. He was survived by wife, the former Lorraine Butler of this city, and a young daughter, Edwina. Mr. Davis was stationed at Corisciana, Field during World War II.

WEDDING SET—Mr. and Mrs. Edgar Jordan, 834 South 16th street, have announced the engagement and approaching marriage of their daughter, Betty, to Raymond Sherrell Odum, son of Mr. and Mrs. R. F. Odum, 2500 West Fourth Avenue. The marriage will be solemnized Thursday, November 23, at 5 o'clock in the afternoon at First Baptist Church. Bridal attendants will include Mrs. B. G. Howard, Odessa, sister of the bride-to-be, who will serve as matron-of-honor; Miss Peggy Berry and Mrs. Oliver Pearson, Denton, bridesmaids. Billy Nixon will be best man, and Roy Jordan of Lubbock and B. G. Howard, Odessa, will be groomsmen. Miss Jordan is a graduate of Corisciana High School and Navarro Junior College, where she was editor of the Campus newspaper, The Growl. She is now employed by the Chamber of Commerce. The bridegroom-to-be attended the Breckenridge Schools and served two years in the U. S. Navy, Pacific Theatre. He is an employee, of the Adleta Mfg. Co., in Dallas.

State Home Laddies Blanked Bynum Eleven Here Friday Evening 12-0

State Home's Laddies bluffed a high wind and the Bynum eleven here Friday night and their fifth straight conference win.

A high, icy wind turned the game into a numb-fingered test of power football, and the Laddies brand of single-wing football proved superior. There was little need for pass defense on either side, for there was no passing into the wind, and the passes thrown with the wind could not be accurate. There were only three aerials completed all night.

Leon Hull and Morris Carpenter starred in the Laddie victory, and their work was the hard-driving work of a game devoted entirely to ground plays against an 8-man line.

Hull Tallies
Hull scored both Laddie touchdowns, one on a 1-yard buck and a 25-yard drive, and one from 12 yards out on a drive that covered 20 yards. Both of Tackle Charles Smith's conversion attempts were missed.

Quarterback Clyde Wiley sparked off Bynum's lone threat, which came in the waning minutes of the fourth period, with the visitors two touchdowns in arrears. It covered half the field and consisted of four consecutive first downs before the drive bogged down on the Laddie 28, where the ball went over on downs.

State Home received the opening kickoff and headed into the goal. Dolphus Darnell roiled off a 30-yard scamper on the first series of downs, but the Lads didn't threaten seriously, and the first period ended without a score as most of the playing was done between the two 40 yard lines.

Midway in the second quarter, State Home got a break from the wind, which throttled Wiley's punt for a net pickup of 5 yards, and the Lads instituted their first scoring drive from the Bynum 25.

First TD
Leon Hull rattled off 15 yards off right tackle to the visitors 10, then bucked for 5 more. Darnell was rushed and lost two yards, but Hull again carried, and picked up 11 yards to the 1 yard line. From there he went over through the middle on the next play. Charles Smith's kick for point was wide.

Driving into the wind during the third quarter, State Home threatened to score, and carried the ball on a punt return by Roy Lee May and short bucks to the Bynum 20. But there a fumble lost the ball for the Laddies. Late in that period

the diminutive May, playing half of the Lad double-safety, returned another punt for 42 yards, to the Bynum 24.

As the fourth period began, State Home started a drive from that point that paid off in their second score of the game. Hull got 4 at tackle. Then Carpenter, playing his first game in the backfield after service all during the season at tackle, hit center like a battering ram to the Bynum 12. Leon Hull swept end from there, shaking off two tacklers and crossing the double stripe for the tally. Charles Smith's placement kick was just barely low of the crossbar. That finished the scoring for the night.

Bynum Threat
Bynum's last-minute threat came against the Lad second string, and was powered by Wiley and 175-pound Dean Lowe, a guard doubling in the backfield. The Laddies, sent back into the game as Bynum drew reasonably close to pay dirt, stopped the drive.

Bynum's followers watched the game in their cars, which were parked along the sidelines. Most of the State Home fans wrapped themselves in blankets to ward off the biting wind.

The wind was the determining factor in the game, and it hampered any wide-open play that might have been planned by either side. Both teams, sure that the other couldn't pass in the game, tightened their defense and made the contest a test of brute power.

State Home had the most. The game left only Hubbard and Kerens standing in the way of the Laddies' defense. They are now shooting for their third straight title in District 23-B football circles.

Starting Lineups
STATE HOME—Leon Hull, Dolphus Darnell, Roy Lee May and Morris Carpenter, backs; Macca, Ben Lawrence and Raymond Harry at ends; Harlan Tucker and Charles Smith at tackles; Gene Belschner and Milton Hambrick at guards; J. C. Colburn at center.

BYNUM—Clyde Wiley, Gene Cain, Jimmy Taylor and Jimmy Sonnenberg in the backfield; Melvin Elefeldt and Harmon Hecker at ends; Bobby Perry and Weldon Gebler at tackles; Dean Lowe and Donald Havis at guards; Wallace Zock at center.

Soil Conservation District News

Glenn Bell, whose farm is two miles northeast of Barry and is composed of 288 acres of which 155 acres is in cropland, has terraced and contoured the cropland for approximately 12 years. Cover crops of vetch and hubam clover have been planted on 1 1/2 this cropland once every third year or four years out of 12.

Crop yields have increased by the combination of conservation practices. Last year Mr. Bell produced 120 bales of cotton from 140 acres. This year his cotton yield is a little better than one-half bale per acre. He attributes increased yields to complete coordinated soil conservation program of terraces, contour cultivation, cover crops and crop residue management.

R. E. Bush, whose farm is one mile north of Roane, has constructed one mile of terraces. The terraces were constructed on cropland to help control sheet and gully erosion. A whirling terrace was used to construct these terraces. Bush has phosphated and planted vetch and oats on this land to add fertility, to provide cover during winter and spring months and to graze.

H. Reed, Barry conservation group, has moved his terrace outlets to keep down competition in the bermuda that was soded last spring. Chandler, Eureka Conservation Group, has constructed a farm pond of approximately 1,800 cubic yards. This pond was constructed with a bulldozer and will give a better distribution of stock water.

Funeral rites are planned Tuesday at 10 a. m. at the Willow Oaks Baptist church in Gilmer with Rev. B. C. Wilkins officiating, and a second service will be held here Tuesday at 2:30 p. m. from the Fellowship Baptist church. Rev. Obie F. Barton, pastor, will conduct the rites here. Burial will be in Oakwood cemetery.

Surviving are the parents of Gilmer; grandparents, L. J. Burns, Coriscana, and Mrs. Daisey Ellington, Mildred.

Corley Funeral Home will direct.

CARD OF THANKS
We wish to express our thanks to our friends and neighbors for the kindness and sympathy shown us in the passing of our father W. B. James.

Mrs. W. F. Cook and the James Family.

RAIDS
CONTINUED FROM FIRST PAGE
A case of beer also was seized at the negro cafe. The operator, Lee Bryant, was fined \$150 by Judge Huffstutler Monday morning.

Shortly after the Kerens area raids, Kyser, Bailey and City Police W. D. Theford raided the Rhythm Club (negro) night club in Coriscana, arresting the owner on a liquor violation charge. A quantity of beer, wine and gin was seized here, the officers said. The proprietor, Buddy Waters, was charged, waived examining trial before Justice of the Peace W. H. Johnson and was released on \$750 bond.

Other Raids Made.
Altogether, Bailey and Kyser raided seven places in the Kerens vicinity. Later, on Sunday morning, the pair seized a dozen quarters of wine and a case of beer in a raid at the home of Ocie Walker, negro, at Powell. Walker paid \$150 fine Monday morning, pleading guilty.

The other Kerens negroes fined for possession of intoxicants were Mable Beachum, who drew a day in jail and costs, and George Lewis, who was fined \$150.

Justice Penney accepted the complaints in the Powell and Kerens cases and transcribed them to county court.

Kyser and Bailey began their raids about noon Saturday, at Kerens, bringing the combined to the county jail late that evening. They returned to Browns Valley, where two of the negroes were arrested and they joined Theford in the negro night club raid in Coriscana about midnight Sunday morning they raided the Powell residence.

Also Sunday morning Bailey and Theford raided a fourth bookmaking establishment in South Beaton street. They seized baseball bats, punch boards and record books.

In the wake of numerous liquor-gambling raids, the latest attack on crime comes, conveniently enough, while the district court grand jury is in session.

The probers are under charge from District Judge A. P. Mays to investigate and "organized gambling" in the county. Following this charge which came on the heels of a numbers racket raid, officers have seized vast amounts of bookmaking equipment in Coriscana. Three persons are under charges, which have been transcribed to district court, apparently to await grand jury action.

Youth Hurt On Bicycle Dies; Rites Tuesday

Kenneth Edward Burns, 12-year-old son of Ed and Rena Burns of Gilmer, formerly of Coriscana, died in Gilmer Sunday night.

The lad was critically injured Thursday night when he struck him as he was riding a bicycle, according to information received

Mildred Mauls Richland, 64-32; Take Zone Title

Mildred's Eagles defeated Richland, 64-32 Thursday night to annex the south zone title in District 16-B of the six-man football division. The game was played on the Eureka softball field.

Mildred led at the half, 20-6. Glen Coker led the scoring for Mildred, ringing up three touchdowns on runs, one of which was a kickoff return from his own end zone. John Whitten and Jerral Brewer got two touchdowns each on runs, and H. Boyd and W. Boyd scored on passes. Glenda Thomas added the remaining TD on a long run.

Coker and Pritchett stood out for the Eagles on defense. Mildred will meet the winner of the north zone of the district, which has not been determined.

Mrs. Thompson Rites Are Held At Long Prairie

Funeral services for a woman leaving 110 living descendants were held Monday at 3 p. m. at the Long Prairie Methodist church. Burial was in the Alligator cemetery. Grandsons were pallbearers. Mrs. Mattie Belle Thompson, 83, died at the home of a son, W. A. Allen, in Trinidad Sunday.

A native of Lee county, Miss., Mrs. Thompson was a long-time resident of Navarra county, living in the Alligator community for many years.

Surviving are her husband, T. G. Thompson, Corsicana; three sons, W. A. Allen, Trinidad; Charles Allen, Kears, Route 2; and James Allen, Kilgore; four daughters, Mrs. Cora Mae Cherry, Trinidad; Mrs. W. D. Coker, Dallas; Mrs. N. L. Thompson, Powell, and Mrs. Flossie Parker, San Antonio; 41 grandchildren, 43 great-grandchildren, eight great-great-grandchildren, four sisters, Mrs. S. L. Wadley and Mrs. Joe Ferguson, both of Corsicana; Mrs. Love Wood, Dallas; and Mrs. Ella Nutt, Galveston, and other relatives.

Corley Funeral Home directed.

Mrs. Joe J. Isom Services Sunday

Funeral services for Mrs. Joe J. Isom, 63, long-time Corsicana resident, who died in Baylor Hospital early Saturday, were held from the Rudolph Funeral chapel in Waxahachie Sunday at 3:30 p. m. Burial was in the Waxahachie cemetery.

The rites were conducted by J. L. Hines, Dallas Church of Christ minister, formerly of Corsicana.

Mrs. Isom had been in the hospital since September 13.

Surviving are her husband of Corsicana; a daughter, Mrs. R. J. Gibbs, Brownwood, and several sisters and brothers.

Homecoming Day For Fellowship Baptist Sunday

Fellowship Baptist Church had a wonderful all-day service Sunday. Rev. Obie Barton brought both messages, using "The Great Homecoming" as his Sunday morning and "Burden Bearing" as his topic Sunday evening.

Sunday was the fifth Homecoming of the church. A program was presented after the lunch hour. Mrs. Harper, Mrs. Simmons and Miss Ora Spiegel were on the committee. The subject of the program was "Prayer."

Rev. and Mrs. R. N. Davis, editor of the Baptist Progress, Rev. and Mrs. Ray Elder, Rev. and Mrs. Jack Bell, Rev. Jimmy Jones and Rev. and Mrs. Joe Bob Dixon were among the visitors present.

There were 170 in Sunday School and 113 in B. T. S.

Rev. and Mrs. Barton and a group from the church will leave Tuesday for the Baptist Missionary Association of Texas in Fort Arthur.

Attendance Good Assembly Of God

The attendance at the Assembly of God church Sunday broke all previous records. There were 226 in Sunday school. The former record was 210. The average attendance for the past month was 193.

Evangelist E. R. Lindsey, spoke at the 11 a. m. service. The Sunday night service was dismissed so that the people could attend the tent revival in progress at Seventh avenue and 30th street. The Assembly of God will be cooperating with the tent revival every night this week.

Free Book On Arthritis And Rheumatism

Excelsior Springs, Mo.—So successful has a specialized system proven for treating rheumatism and arthritis that an amazing new book will be sent free to any reader of this paper who will write for it.

The book entitled, "Rheumatism," fully explains why drugs and medicines give only temporary relief and fail to remove the causes of the trouble; explains how for over 31 years The Ball Clinic has helped thousands of rheumatic sufferers.

You incur no obligation in sending for this instructive book. It may be the means of saving you years of untold misery. Address your letter to The Ball Clinic, Dept. 2327, Excelsior Springs, Missouri, but be sure to write today.

ASTHMA

By W. F. BROWN
Of Johnson's Pharmacy

Asthma generally begins in childhood or early adulthood. One third of the known cases are children below ten years of age. It is a comparatively rare disease in the aged, statistics show that among persons over sixty only one per cent have asthma.

Of the two types of asthma, the allergy type is the easiest to diagnose and control. Usually if the patient is able to avoid contact with those things to which he is allergic, his condition is greatly improved. Non-allergy asthma presents a different problem for the physician.

All health problems require the expert services of a doctor assisted by a competent pharmacist.

This is the 260th of a series of Editorial Advertisements appearing in this paper each Monday and Tuesday. (Copyright).

Bulldogs Line Smothered South Texas Opponent

By PAUL MOORE
Sun Sports Editor

Navarro Junior College Bulldogs Saturday night opened their conference season by drubbing the Blinn Memorial College eleven from Brenham, 34-7, at Tiger Field before a mere handful of faithful fans who braved the cold weather.

The South Texans opened the contest with a rush and Nutt converted from the 35 yard line after he had picked up 15 on the previous play. Tisdale converted.

The Navarro contingent retaliated in the opening period with Caton circling right end for 23 and the touchdown after the local college gained the ball on the 41. Sorrells converted to end the first half scoring, although Thanes, a scabback with speed to waste, was a constant threat until he was hurt. He returned to the second half, but was not quite as fast.

The Bulldog line played a fine game and frequently trapped the visitors before they reached the line of scrimmage, but the South Texans also bothered the Bulldogs no little with their aerial show and tricky formations and often were hard to discern even from the press coop.

Elbert Berry, defensive back, stopped a threat in the second when he intercepted a pass on his one-yard line. Woodman, stalwart lineman, intercepted a pass to stop another threat. The Blinn crew again came back strong and it was Berry again who recovered a fumble on the Navarro 4 and then Gaines recovered a fumble on the 32.

The Senoritas and the colorful band performed during the half intermission and elicited well-deserved praise for their contribution to the evening.

As has been the case on the past seven occasions, the Bulldogs came back strong with the beginning of the third stanza.

Blinn received, but the hard-charging Bulldog line broke through to smother the punter on

the 27-yard line on fourth down. The Bulldogs started for what proved the winning score of the game.

Gay Parrish ripped five and then 3 yards in line plays. The Bulldogs drew a 5-yard penalty and a pass was incomplete, but Darland connected with Guthrie for a 21-yard aerial that placed the pigskin on the 4 from which point Parrish drove over and Sorrells converted to make the score 14-7 in favor of Navarro.

Parrish led another touchdown parade in the same period from the 47 yard line. He ripped 13 to 38 and Caton picked up 8 on a sweep at right end. Parrish made it a first down and then ran 26 yards through the middle of the line for the score with Sorrells converting.

Bennett and others recovered a fumble on the Blinn 11 early in the fourth. Darland made 3 and Red Bearl from Kerens picked up 5 in two line thrusts. Darland then circled left on right end for the touchdown and Sorrells again converted to make the score 24-7.

Following a fumble and a pass interception, Caton made a fine 25-yard return of a punt to the Blinn 40 from which the final touchdown parade was inaugurated. Lawrence circled left and for 35 yards and the touchdown, but Sorrells missed his fifth conversion to end the scoring for the evening, although the visitors flashed a

slightly effective passing attack against the substitutes. Thanes broke away for a 20-yard jaunt to the Navarro 30 and a pass put the ball on the Bulldog 11, but Bobbie Staggs stopped the drive with an interception on the 14.

The Bulldogs invade Bryan to meet the strong Allen Academy Ramblers Saturday night.

The victory Saturday night was the fourth in a row for the Bulldogs after losing their first three.

While the visitors gained more ground in the air, they also lost more in penalties and gained less in the Bulldogs on the ground.

The local club exhibits plenty of power and appeared to be in the best physical condition of the season.

Coach Ken Clark used all of the boys ready to play before the game ended, while the Blinn mentors also used replacements freely.

Starting Lineups:
Navarro—Nutt, center; Bradley and Woodman, guards; Baker and Granger, tackles; Stone and Gaines, ends; Guthrie, Berry, Caton and Darland, backs. Substitutes: Rhodes, Stages, Clark, Lawrence Parrish, Earl, Sorrells, Hines, Darakas, Smith, Stryver, Bumpers, Miller, Bennett, McGraw, Scarbrough, Payne, McDonald and Langston.

Blinn—Davis, center; Hilsner and Gertensberg, guards; Haddox and Alexander, tackles; Klesawetter and Kettler, ends; Michaela, Hilsner, Hill and Byrne, backs. Substitutes: Thanes, Welser, Rodenbeck, Davis, Nutt, Kuhl, Lovett, Armstrong, Dolan, Curtiss, Tisdale, Hood, Kunz, Stark Reitz.

HERE is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

Cubs Claw Waxa "B" Team, 27-6 Here Thursday

The Corsicana High School B team outclassed Waxahachie's Papooses on Tiger Field Thursday night, 27-6, avenging a one-point loss to that team in 1949.
Coach Otis Poderson's crew was in command almost all the way, and the only threat the visitors made was their touchdown, which came straight up the middle against the Cub defense.

Quarterback Bruce Howard counted the first Cub touchdown, plunging over after a long Corsicana drive. His pass for point was incomplete. Frank Beaman got loose for almost half the field on a run for the second score, and Howard converted by placement to put the Cubs ahead at halftime, 10-0.

Howard passed to End Robert Riddells in the third period for a count, and the play covered 35 yards, with Howard converting by placement.

In the fourth period, with Corsicana in possession on the Waxa 20, Arnold Armstrong carried the ball four straight plays and rammed over for the final touchdown. Howard again converted.

The work of Riddells and Joe Don Woraham was outstanding in the line.

Former Richland Girl Honored In College Election

Miss Carolyn Sands, a former Richland girl now of Franklin, has been elected Galliardian at Southwest Texas State College in San Marcos.

She is the daughter of Mr. and Mrs. J. A. Sands of Franklin, formerly of Richland.

Each year six attractive co-eds are elected as Galliardians, along with six young men as escorts. They were recently presented at a homecoming dance.

Hillsboro Eagles Invade Corsicana Friday Evening

Corsicana's unbeaten Tigers and the Temple Wildcats survived conference tests last week to remain at the top of the standings in the District 13-AA football race.

But last Friday night's blustery, frigid games will be remembered by Corsicana, Temple and Waco.

For there was an element of surprise in each of their games. For Corsicana, it was Waxahachie's early TD that put the Tigers behind in a ball game for the first time this season, and made them come from behind for a 27-6 win.

For Temple, it was a narrow squeak indeed. With less than three minutes left to play, Temple was behind in its game with Ennis, 7-2. A garrison finish gave the Wildcats a 9-7 victory and a clean slate, in district play, but it must have been hard on Coach Ted Dawson's nerves.

Waco's Carl Price had his anxious moments, too. Hillsboro's Eagles held a 14-13 edge on the Waco Bengals, when the McLennan Tigers decided to play a little football. They ran over a late TD to win the ball game, 20-14.

Both Corsicana and Temple are favored against this week. The Paynemen, who have run up a grand total of 275 points in seven ball games, run up against Hillsboro, but the game will be played on Tiger Field in Corsicana.

If the Eagles are keyed up to a pitch as high as that of the Waco game, Corsicana could have a difficult time with Hillsboro, sparked by Charles Dollar, the fleet little wingback.

Temple goes to Waxahachie Friday night, and it is due to be another win for the Templeites. This will be the third major test for Logan Hollenwerck's crew in as many weeks.

Perhaps the closest game of the week will be at Waco, where Ennis' strong Lions go Friday night. Ennis is traditionally stronger on its own field, but this time Coach Murray Byrd's crew might make itself felt on foreign soil. However, Waco is favored in the pre-game prognostication.

The Corsicana eleven came out of the Waxa game in good shape. Limited by the high wind to ground plays, Corsicana got rolling in the second period, and managed to roll despite all efforts to stop them. Guard Jim Wood played little, but he could have, in the need had grown urgent. He is expected to play against Hillsboro this week.

District 13-AA Standings.

| | W | L | T | Pts | Op |

Community Chest Officials Report Drive Is Success

Corsicana Community Chest officials happily announced Friday that for the first time in several years the drive was over the top. Collections of \$955 were reported Friday pushing the total pledged and collected to \$42,184.46. This amount is \$247.46 over the quota of \$41,937.

Miller Products Help. Biggest factor in getting the drive over the top was the \$900 subscribed by employees of the Texas Miller Products Inc. Their was the largest gift of any of the local industries. Officials of the plant said nearly every employee gave something and that many pledged a day's pay.

Chest officials pointed out that several more contributions are expected. They said all money collected would be put in the reserve fund which is used to make up unpaid pledges or in case of an emergency.

Workers Praised. Said Eady: "Without the fine work and co-operation of the drive chairmen, their workers, and all the folks who gave so generously we'd never able to make it. It's gratifying to know that we are one of the first cities in Texas to go over our goal."

The officials pointed out that contributions would be accepted for several days and that money collected would be placed in the reserve fund.

Last year, they said, it was necessary to take about \$3,000 from the reserve fund to meet the quota.

Wish to express our thanks to our many friends for their kindness and sympathy shown us in our sorrow. We want to express our thanks to our neighbors, Rebekah Lodge and Fellowship, Baptist Church and every one who sent the nice food and beautiful flowers. It is gratefully acknowledged and deeply appreciated. God bless every one of you.—Jim Griggs, W. J. Shivers and Family, and Aunts and Uncles.

Gambling Tickets Seized In 3 Raids

Several thousand dollars worth of gambling equipment, including football and baseball pool tickets, punch boards, slot machines and associated paraphernalia, was seized at three Corsicana business places by seven city officers and S. Bailey, liquor control board agent, Friday afternoon. Three men were arrested.

Places raided were George's Grill, George's Hotel and the Harris Confectionery. Arrested were S. N. Georges, R. I. Harris and Tom Livengood. All three were charged with using and permitting their premises to be used for book-making. Livengood was picked up Saturday morning.

Waive Examining Trial. The men appeared before Justice of the Peace W. H. Johnson and waived examining trial. Harris and Georges were released on \$10,000 bail each.

Atty. Jerry Roe appeared for Georges and Atty. Joe Simpkins for Harris. Roe said his firm would not represent Georges if a trial resulted. Atty. Doyle Pevehouse appeared for Livengood.

Attorneys indicated the charge against the men was a misdemeanor and that the bond was too high. Livengood's bond of \$10,000 was reduced to \$3,000 after a corpus action before District Judge A. P. Mays. The accused, however, had not posted bond early Saturday afternoon.

The biggest haul was made at the Harris store, 212 South Beaton street. Here officers found thousands of printed and plain baseball and football pool tickets, seven slot machines, punch boards, equipment, ink, two jars of numbers tickets, an electric sewing machine used to sew the pool tickets, hundreds of punch boards, other equipment used in making the pool tickets, and records of transactions. One statement indicated the pool tickets were printed by a local concern.

Football betting cards were found at all three places. At Harris' football pool tickets already made up for Nov. 7 and Nov. 11 games were found as well as 11 games being played Friday night and Saturday.

The raid at George's Grill, 109 East Collin street, turned up football pool tickets, records and a telegram from Charley Gordon, Dallas, with the point-odds on Saturday's major games. Gordon recently was arrested in Dallas in connection with a reported nationwide football betting ring.

Well Equipped Room. One room in George's Hotel was raided and a quantity of football and baseball pool tickets, printing equipment and records were found. A blackboard with the results of a high school football game played Thursday night was seized in the hotel lobby.

Ironically, as the raid was in progress at the Grill the Junior High school football team from Palestine came in for a meal. The Corsicana High school squad had eaten there just a short time before the raid started.

The raid was led by Bailey and Sgt. W. D. Theford. Search warrants had been issued for four places but one was closed when the officers arrived.

The officers hit all the places at the same time at about 4:35 p. m. The men arrested Friday night were released from the county jail about 7:30. They were confined about one hour.

Two Trucks Used. Two city trucks were used to haul the seized materials from Harris' store. All the loot was stored at the county jail. Picked up as a witness in the

confectionery store was a negro who had several football tickets on his person. He told officers he bought them from a man on the street.

Officers estimated that several thousand blank football and baseball pool tickets, "enough for more than one season," were seized in the raids.

It was necessary for the officers to break into the room at the hotel. The occupant was arrested Saturday.

Nearly all the football and baseball pool tickets and equipment seized at Harris' place were found in a locked room at the back of the building.

When Theford and Bailey reported to Police Chief Bruce Nutt that they were ready to start the raid, the chief called in six more city officers and gave them their instructions.

Machine Seized. Other officers on the raid were John Kelly, Frank Chapman, J. B. Blair, C. A. Patterson, W. A. Massey and C. B. Powell.

The slot machines seized were of the small, counter type, not the regular one-armed bandits. They were in a back room at the confectionery store.

None of the punch boards found at Harris' were on the counter. Some were under the counter in the front room but most were in the room in both the front and back rooms. The numbers jars were on the counter in the front of the store.

A few weeks ago city officers and Bailey conducted a raid just east of the city on Highway 31 where numbers racket equipment was seized. Three men arrested in the house are out on \$10,000 bond each.

Bond sureties were L. C. Harris and James Lorimer for Harris, and F. M. Childress and Atty. Roe, Ralston and McWilliams, and J. V. Lazaris for Georges.

Pat Brockette And Billy Sullivan Wed

Miss Pat Brockette, daughter of Mrs. Carl Brockette, 222 East Franklin street, Hillsboro, became the bride of Billy Sullivan, son of Mrs. M. E. Sullivan of Corsicana, in a ceremony performed Friday evening, Oct. 29, at the home of the bride's sister and brother-in-law, Mr. and Mrs. Lindy Ward in Mexico. The Rev. Tom Madden, officiated at the ceremony. The couple was attended by Mr. and Mrs. Ward.

After a short wedding trip to points in South Texas, Mr. and Mrs. Sullivan are now making their home at 222 East Franklin street, Hillsboro.

Oil Test Slated In Dawson Area

DAWSON, Nov. 3.—A block of approximately 2500 acres of land east of town is being leased for an oil company that is reported planning to drill a 2,000-foot test. The land is located north of Battle Creek and south of Melton Branch and extending east to Richland Creek.

The drilling of the test is scheduled 60 to 90 days after the acreage is blocked.

MARRIED AT COURTHOUSE.

Sam Toledo and Gertrude Lee Fuller, both of Corsicana, were married Thursday afternoon at the courthouse. Justice of the Peace J. W. Sheppard performed the ceremony.

TO MARRY SOON—Mr. and Mrs. S. L. Dublin have announced the engagement and approaching marriage of their daughter, Miss Carolyn Dublin, to Ed Blackburn, Jr., son of Mr. and Mrs. E. W. Blackburn, Sr. Vows will be exchanged Saturday afternoon, December 2, at 4 o'clock at First Baptist Church. Mrs. Theobald will be matron of honor. Other bridal attendants will be Mrs. Trent C. Root, Jr., of Sherman and Mrs. Jack Lundy of Albuquerque, N. M., and Lt. Kenneth Crowe of San Antonio. Both the principals in the forthcoming nuptials are graduates of Corsicana High School. The bride-elect was graduated from Baylor University in 1949. Her fiancé, who attended Texas A. and M. College, served in the Merchant Marine for three years.

State Home, Kerens, Blooming Grove And Hubbard Win Class B Grid Tilts

All games ran true to form in District 22-B football Friday night, despite near-freezing weather that hampered operations at all points.

State Homes' Laddies, with Leon Hull scoring twice, downed Byrum on Garity Field, 12-0 to stay at the head of the bidders for the district crown.

Second-place Kerens made Frost's position in the district cellar practically permanent by overpowering the Polar Bears, 34-0 in Kerens, Johnny Horn, 191 pound full-back for the Bobcats, and Odie Simmons were the big guns for the Cats in this conference win. Kerens has only a tie against it in the district race.

Blooming Grove got back on the win trail, but it was late in the third quarter before the Lions got moving. A scoreless game up until that time was avoided when the Lions blocked an Italy punt and scored, and then intercepted three Gladiator passes in the last period, which led to three more tallies.

The final score was Blooming Grove 28, Italy 0.

Hubbard handily defeated Dawson, 33-13 in their game in Hubbard. Dudley Castalaw scored two TDs, and Jack Miers, Billy Watlev and Morris English added tallies as the Jaguars outclassed the

Cold Weather Causes Cancellation Of Annual Fox Hunt; Hold Dog Show

A frigid dampness, near-freezing temperatures, and a howling north wind prevented a scheduled fox hunt in the Pickett community Friday night.

But the season's first cold norther didn't faze some 300 hunters and enthusiasts who crowded into the warmth of the little Pickett schoolhouse for the annual Navarro County Fox and Wolf Hunters Association meeting.

The dog show, featuring 23 entries, went on; and Rev. W. F. Lovelady, pastor of the Corsicana Missionary Baptist church, addressed the group.

The speaker warned of the dangers of Communism, which he said was infiltrating "our lodges, churches, schools and government."

America's Freedoms. Stressing the value of America's freedoms—particularly that of the press, speech and religion—Rev. Lovelady declared, quoting the Bible, that "we must render unto God the things that are God's, and unto Caesar the things that are Caesar's," if freedom is to be maintained.

He urged his listeners to be faithful to the government and concluded by quoting Patrick Henry's immortal words, "Give me liberty or give me death."

A. R. Cook introduced the speaker.

A big ribbon winner in the all-age male class, "High Ball Tee," won top honors in the dog show. Owned and handled by J. H. Talley of Jewett, the hound was adjudged the grand champion. Next as the best opposite sex, was Dean Young's "Sun Dial Betty," who copied first place in the derby ball event. Young lives in Dallas.

Jimmie Reed of Hillsboro showed the best pair.

Judging the show was C. E. Scott of Waco, assisted by E. E. Raley, also of Waco.

Hunt Canceled. The annual affair originally was slated to be held on the C. J. Davis farm near Ward Bridge. Foxes imported from Minnesota, but they weren't turned loose because of the inclement weather.

The hunt was canceled and the meeting place changed after the norther struck.

Winners in the bench show were as follows: (Dogs shown by owners, except where indicated.)

Males, Furs Under 6 Months—Charles Copeland, Purdon, first and second (no third).

Bazette

BAZETTE, Nov. 3.—(Spl.)—There were 72 in Sunday school Sunday, 73 in Training Union.

Rev. O. E. Peterson preached at the morning and evening services. Rev. and Mrs. O. E. Peterson and daughter, Percille; Mr. and Mrs. Sam Upchurch and Carolyn Albritton attended the Training Union course in Corsicana Monday night.

Talmadge Upchurch of Dallas spent the week end with home folks.

Are Our Texas Highways Being Destroyed by 1% of Highway Users?

This question is presented squarely for the first time by the Texas Tax Journal in its booklet, "The Case of the One Per Cent-ers."

Every Texan who wants good highways, adequate for 99 of every 100 users, should write for a free copy of this revealing booklet.

Approximately 99% of all Texas motor vehicles are registered for a gross weight of 20,000 pounds or less.*

All Texas taxpayers, including your Texas Railroads, have reason to be concerned about the high cost of constructing and repairing our highways and the prospect of building more costly roads made necessary by the operation of highway "box cars."

No one has any desire to bar vehicles of reasonable size from our highways, so long

as each pays its fair share of construction and repair costs.

Other Texas taxpayers should not be required to shoulder the burden of a roadway system for highway "box cars", representing only 1% of highway users.

Every Texan interested in good highways without increasing the growing tax burden should fill out the coupon below and get a copy of this valuable booklet.

*"The Case of the One Per Cent-ers"

Judge it on **DURABILITY...DEPENDABILITY**

It rides more smoothly

Take one ride and you'll agree Chevrolet is the smoothest riding car in its field. It's the only low-priced car combining the famous Unitized Knee-Action Ride and airplane-type shock absorbers all around.

It drives more easily

Enjoy finest no-shift driving with Powerglide Automatic Transmission* and 105-h.p. engine—or finest standard driving with standard engine and Synchro-Mesh Transmission—at lowest cost.

*Combination of Powerglide Automatic Transmission and 105-h.p. Engine optional on De Luxe models at extra cost.

It operates more economically

Chevrolet's famous Valve-in-Head Engine, exclusive to Chevrolet in its price range, brings you an outstanding combination of thrills and thrift, plus proved dependability, year after year.

It lasts longer, too

Many Chevrolets are performing dependably after ten, fifteen or twenty years of service. That's one reason why there are over a million more Chevrolets on the road than any other make.

It's better looking all around

Outstanding good looks accompany the outstanding performance of Chevrolet cars—only low-priced car with Body by Fisher—and most beautiful in its field, according to a recent public survey.

It gives more for less throughout

Only Chevrolet offers so many performance, comfort and safety features of highest-priced cars at the lowest prices and with such low cost of operation and upkeep. Come in and see it now!
